

THE RECONSTRUCTED VISTA INTERCHANGE WILL OPEN THIS SUMMER!

The I-84, Vista Interchange is a single point urban interchange (SPUI). It is the first of its kind in Idaho. Once the interchange opens, minor construction activities will continue until early fall.

HOW TO DRIVE THE VISTA INTERCHANGE

The Vista Interchange will have a central traffic signal that controls all turns from the center of the interchange. The design is well suited for the Vista Interchange because it moves high volumes of traffic.

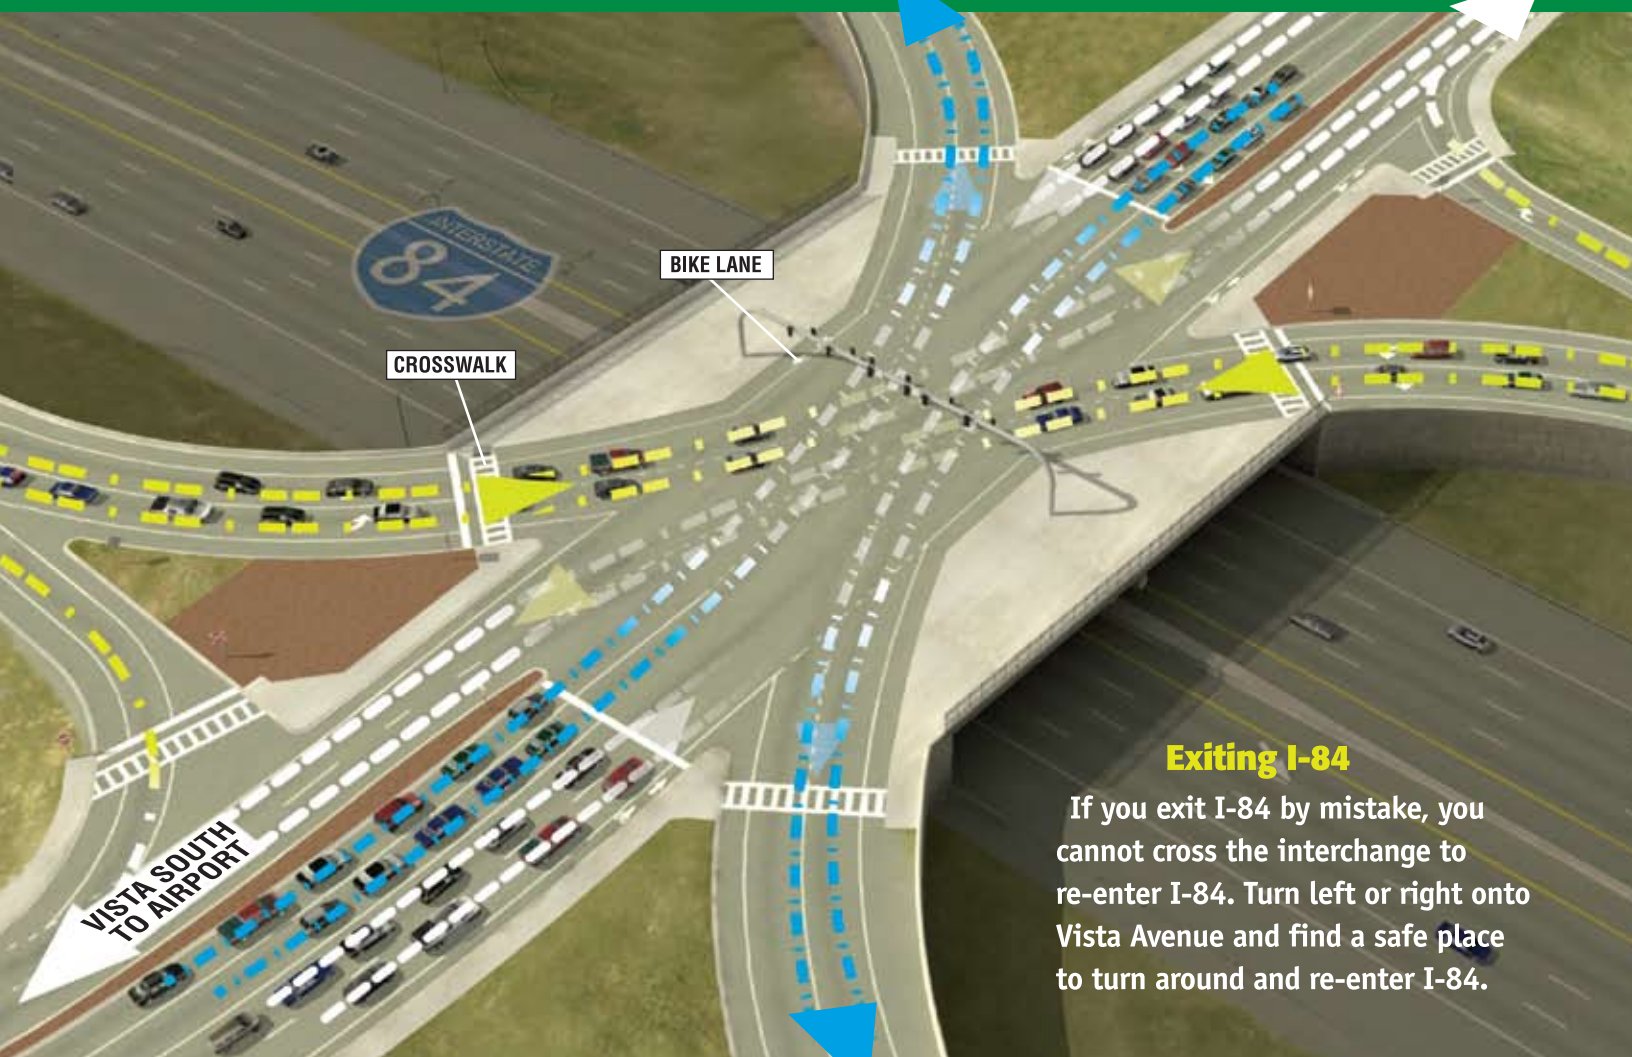

Watch a video

Go to itd.idaho.gov/Projects/D3 and select *I-84, Vista Avenue Interchange* to view a video on how to drive the Vista Interchange.

I-84 WEST TO

VISTA NORTH TO
DOWNTOWN BOISE

Exiting I-84

If you exit I-84 by mistake, you cannot cross the interchange to re-enter I-84. Turn left or right onto Vista Avenue and find a safe place to turn around and re-enter I-84.

I-84 EAST TO MOUNTAIN HOME

Walking or bicycling? Use caution.

Please use designated bike lanes located on the interchange.

Please use the designated crosswalks and follow the pedestrian signals. Plan on using more than one light cycle to cross the interchange.
